a. MI 5 confirms that ROBERTSON was a Communist in Berlin in 1934. Her present whereabouts is unknown.

b. ROTTER is reported as living in Paris in 1935. In 1936 he joined his wife and three sons in the UK. Later he left England for the United States and was followed by his wife and two of his sons in 1939-40. There is no adverse information on his stay in the UK.

c. Heinrich Alexander-Katz was born 4 January at Gorlitz, Prussia. He held German passport nr. 889/164/3k, and arrived in the UK as a lawyer and patent agent 18 January 1938. He first came to notice as a member of the Executive Committee of the Communist-influenced Free Germany League of Culture but he is not believed to be a member of the Communist party.

3. Should there be any further investigations that you would like made in England or the United States on any of these people we should be glad to query Washington and London.
